Carnegie Hall

KIDS' COLLEGE

28TH ANNUAL SUMMER ARTS DAY CAMP

July 12-16, July 19-23, & July 26-30, 2021

-KIDS' COLLEGE-
Carnegie Hall Inc.
611 Church Street, Lewisburg, WV 24901
www.carnegiehallwv.org
304-645-7917
On behalf of the staff, the Board of Directors, the instructors, and all the volunteers of Carnegie Hall, I would like to welcome everyone back to Kids’ College!

Due to the Covid-19 pandemic we were unable to offer our Kids’ College in the summer of 2020.

We are very pleased to be able to offer this popular children’s education program in the summer of 2021. We will be offering a smaller number of classes than in the past, and fewer students will be allowed to enroll in each class.

In an effort to keep our classrooms as safe as possible, we will only be using the rooms on the ground and first floors. These floors have excellent air filters and outdoor air circulation.

Since we will not be using the top two floors of the building, we will not be able to offer classes for the younger children (rising Kindergarten and first grade students) this summer.

We will include rising 8th grade students, since we know many of them were disappointed that they could not attend what would have been their “last” Kids’ College in 2020.

In addition, we have expanded the program to three weeks, to allow more children to take part. Since we are limited to 42 children per session, registration will be limited to one week only for each student.

Please look through our line-up of classes and see which week offers the classes which interest your children the most. Use the link on the following page to sign up, beginning Monday, May 3, 2021.

We look forward to seeing you in July!
Leah Trent
Director of Kids’ College
Sessions & Registration
Students may register for one-week only.

July 12-16 (Week One)
July 19-23 (Week Two)
July 26-30 (Week Three)

• Grades 2-8, Morning Session: students choose three classes
  Class A: 9 a.m.-10 a.m.
  1st Recess - 10 a.m.-10:15 a.m. (outdoors)
  Class B: 10:15 a.m.-11:15 a.m.
  2nd Recess: 11:15 a.m.-11:30 a.m. (snacks provided by Greenbrier County Schools)
  Class C: 11:30 a.m.-12:30 p.m.
  Lunch (bring your own): 12:30 p.m.-1 p.m.

• Grades 2-8, Afternoon Session: students choose two classes
  Class D: 1 p.m.-2:20 p.m.
  3rd Recess: 2:20 p.m.-2:40 p.m. (snacks provided by Greenbrier County Schools)
  Class E: 2:40 p.m.-4 p.m.

Tuition is $135 per student per session.

Registration Deadline is Friday, July 2, 2021.

Register online at: www.carnegiehallwv.org or https://fs26.formsite.com/6usHp2/qpcednia5e/index.html.
To register by phone call 304-645-7917.

• Classes are first come, first served.
• Classes are open to rising 2nd- through rising 8th-grade students.
  Classes for kindergarten and first-grade students in summer 2021 will not be offered.
• Classes will be limited to six students, to allow for social distancing.
• All students, instructors, and staff will wear masks while in the building.
• Due to the small class-size, children are permitted to register for one-week only.

Scholarship assistance is available to qualifying applicants.
• Please check the scholarship box on the enrollment form if financial assistance is requested.
• A $25 commitment fee must accompany each scholarship application.
• The deadline for scholarship applications is June 4, 2021.

If you have any questions, please contact: Leah Trent, Education Director, 304-645-7917, ext. 116 or email: trent@carnegiehallwv.org
Open to students entering 2nd - 8th grades.

Students may register for one session only.

2021 Kids’ College Dates:

July 12-16, 2021 (Week One)
July 19-23, 2021 (Week Two)
July 26-30, 2021 (Week Three)

Registration Deadline:
Friday, July 2, 2021

Daily Schedule

• Arrival time is 8:50 a.m. Monday - Friday. Please do not bring children early. No supervision will be available for early arrivals.

• Arrival time is 12:50 p.m. Monday - Friday for students taking afternoon-classes only.

• Drop-off location is the front entrance of Carnegie Hall, by the big white pillars.

• Snacks will be provided for the morning and afternoon recess times.

• Children attending both morning and afternoon sessions should bring their own lunch.

• Pick-up time is 12:30 p.m. for children attending the morning session.

• Pick-up time is 4:00 p.m. for children attending the afternoon session.
Amazing Shrink Art  NEW!  Grades 2-8  Instructor: April Vincent
Perhaps you have created art on shrink film and watched it shrivel in the oven, wowed by the small and sturdy finished product. In this class we'll take shrink art to the next level as we use a special kid-friendly shrinking appliance to get the job done. We'll add strings and hooks to make a whole bunch of baubles including necklaces, charm bracelets, and key chains. Week Three only

Basket Weaving  Grades 2-8  Instructor: Kathy Talley
If you like baskets and don’t mind getting your fingers wet, then try weaving your own basket. Children will weave a basket approximately 5” x 8” and 6-8” tall. This class will emphasize shaping as the weaving progresses and incorporating color. Children will have a finished basket by week’s end.

Bucket Drums  Grades 2-8  Instructor: Sarah Hann
Do you find yourself drumming on your desk with two pencils? What about rocking out at the dinner table with your silverware? You do? Then this class is for you. We take everyday objects (like buckets) and we create a one-of-a-kind performance. In addition, students will play rhythm-themed music games during class. Hope you’re ready to rock!

Can You Dig It?  Grades 2-8  Instructor: Sean O’Connell
Set underneath a canopy, students will experience first hand an archaeological dig site. They will learn the techniques of exploring as they focus on identifying artifacts from industry, art, farming, and day-to-day households. They will see how these artifacts provide evidence of difference in cultures. Students will also learn different ways to discover, excavate, and identify historically significant artifacts. Week One and Week Three only

Clay Creations  Grades 2-8  Instructor: Amie Durrman
Students will learn and apply the three hand-building techniques: building a pinch pot, coil pot, and a slab-constructed project. There will be three clay making days and two days of glazing projects. Due to the drying time required, clay projects will be ready to take home in September.

Harp Class  Grades 2-8  Instructor: Susan Adkins
Learn to play the harp in this introductory class. Students will learn the basics of playing the harp, including proper hand position, how to tune a harp, and a brief history of the instrument. Harps will be provided by Carnegie Hall.

Kids’ College Newspaper  Grades 2-8  Instructor: Sarah Hann
Join our team of reporters to create the official newspaper of Kids’ College. Kids’ College Newspaper is for anyone who loves to write. We write articles ranging from breaking news, food reviews, interviews, and more. At the end of the week the KC newspaper will be published and distributed to students and parents.
Kids in the Kitchen  
Grades 2-8  
Instructor: Sarah Shepherd  
Students will learn safe kitchen knife skills, how to cook several recipes on their own with confidence, and have the opportunity to create their own recipes with local fruits and vegetables. Students will receive a cookbook at the end of the class including the recipes from the week. Week One and Week Two.

Kids in the Kitchen, International! Grades 2-8  
Instructor: Harmony Flora  
Want to know what kids eat in France, or in India? Learn beginner kitchen skills and good practices as we explore different food cultures from around the world. We’ll use common, fresh ingredients to make fun and delicious recipes that you’ll be able to share with your family and friends. Week Three only.

Mandolin Music  
Grades 2-8  
Instructor: Bob Adams  
Making music with a mandolin is fun. Students will learn about the components and care of the mandolin and how to play simple chords and melodies. Hands-on instruction allows students to play music the very first day. Mandolins are provided by Carnegie Hall. For beginners and those with some prior experience. Week Two and Week Three only.

Origami Fun!  
Grades 2-4 only  
Instructor: Sharon Ginsburg  
Unfold the secrets between the folds of the Japanese art of origami (paper folding). Students will make and decorate all sorts of magical creations, such as animals, birds, hearts, helicopters, airplanes that fly, flowers, fortune tellers, and boxes for their creations. Week Two only.

Origami Madness  
Grades 5-8 only  
Instructor: Sharon Ginsburg  
Students will develop their folding skills with jumping frogs, pop-up cards, biting jaws, or other fun origami toys. Students can assemble seemingly complex geometric shapes such as dodecahedrons, magic circles, or stars from readily foldable units. Week Two only.

Paper Passion  
Grades 2-8  
Instructor: Sharon Ginsburg  
Folding and cutting papers...what magically appears? Students will make projects from various cultural traditions, using Kirigami and Origami, as they weave paper and create alligators, owls, rats, lizards, and unicorns that stand up. Decorating with feathers and sequin is all part of Paper Passion. Week Two only.

Tie Dye Brigade  
Grades 2-8  
Instructor: Dennis Ott  
Learn to fold, pleat, twist, tie, and dye amazing one-of-a-kind colorful creations that students will get to take home at the end of the week. Materials to complete two different projects will be provided. Explore your colorful side and wear clothes that you don’t mind getting wet. Week One only.
Morning Session for grades 2-8  
Classes from 9:00 a.m. - 12:30 p.m.

3-D Art  
Grades 2-8  
Instructor: Mike Vincent  
It's time to bring student artwork to a whole new dimension. Shading, vanishing points, and optical illusions will be used to create keepsake pieces that truly pop off the page. Students will make art from their own name, uncover the secrets of the agamograph, and learn layered paper techniques to give their artwork a new level. Week Two and Three only

Violin for Kids  
Grades 2-8  
Instructor: Hannah Buly  
Learn how to play the violin in five easy lessons. By the end of the week, students will be able to play a couple of fun tunes. Violins are provided. No musical experience necessary. Week One only

Wonders of Watercolor  
Grades 2-8  
Instructor: April Vincent  
Learn about the many wonderful ways watercolors can work. Working with high quality paints, students will mix colors straight from the tube, and explore liquid water colors. Then they will add salt, wax resist, pearly paint, pencils that paint, and other surprises to their creations. Perfect for student bedrooms or for gifts.

SAVE THESE DATES
for next year’s Kids' College!
July 11-15 and July 18-22, 2022
Acrylic Painting Grades 2-8 Instructor: Sandra Schmocker
Painting with acrylics and with watercolors is fun—it’s different than oil painting. By following an easy step-by-step method, young artists will create nature-inspired acrylic or watercolor paintings as they learn the art of color mixing using different brushwork techniques. They will be painting on canvas, canvas paper, and perhaps a recycled item as they create unique masterpieces of their own. Week Two and Week Three

Baking for Kids Grades 2-8 Instructor: Cassie Williams
Do you like traditional home-baked goodies, like cupcakes, quick breads, cookies, and cobbler? Then join us and learn how to bake using natural ingredients and traditional recipes. Use your creative energy as you learn the art of decorating cupcakes. Seasonal fruit, nuts, and wheat flour will be used in this class. Students will take home copies of all the recipes at the end of the week. Week One and Week Three

Basket Weaving Grades 2-8 Instructor: Teri Hartford
If you like baskets and don’t mind getting your fingers wet, then try weaving your own basket. Children will weave a basket approximately 5” x 8” and 6-8” tall. This class will emphasize shaping as the weaving progresses and incorporating color. Children will have a finished basket by week’s end.

Fabrics to Fashion NEW! Grades 2-8 Instructor: Thomas Ruggiero
If you’re tired of wearing the same old clothes, Fabrics to Fashion is just the class you need to spark that love of clothes and style again. Create a new garment from scratch. Learn the joys of sewing by hand and on a machine, as well as embellishing techniques. At the end of this course you will sparkle down the runway in a totally original design made by you! Week One and Week Two

Fiber Arts NEW! Grades 2-8 Instructor: Lynn Creamer
Explore the traditional textile crafts of weaving, wet-felting, and macramé through working on projects using wool, water, and yarn. Techniques in the companion crafts of spinning and dyeing will be studied through demonstrations and hands-on activities. A slide show of how nomads of Mongolia make a yurt, as well as folk stories and printed materials will illustrate the ways various cultures have created and used textiles throughout history.

Ki Aikido - Basic Grades 2-4 only Instructor: Jane Olson
Younger students will learn the basics of Ki Aikido, with an emphasis on Ki training, or developing balance and mind-body coordination. Students will learn sequences of movements, games, and activities to develop their awareness and agility. This class involves rolling and tumbling. Please wear loose, comfortable clothing. Week One and Week Two
Ki Aikido - Advanced  **NEW!**  Grades 5-8  Instructor: Jane Olson
Older students warm up with mind-body coordination, or Ki training, and advance to learn basic aikido throws and techniques. We will work on learning taigi, or specific series of throws, that can be performed with a partner. This class involves rolling and tumbling. Please wear loose, comfortable clothing. **Week One and Week Two**

Mixed Media Madness  **NEW!**  Grades 2-8  Instructor: April Vincent
Turn up the "Wow" factor as you explore a variety of two dimensional art techniques. Students will mix a little drawing, a little painting, several types of printmaking, image transfer, color burst crystals, zentangle, and a lot of fun to create one awesome piece that showcases their new skills. **Week Three only**

Pottery Studio  Grades 2-8  Instructor: Sean O’Connell
Students will have a whole week to explore clay and learn how to use hand-building and sculpting techniques. Creativity and skill-building will be the focus of this class. Students can pick up their pottery in September, after it has been fired in the kiln.

Folk Arts Painting & Printing  **NEW!**  Grades 2-8  Instructor: Amie Durrman
Come explore Oaxacan Mexican Folk Art while learning the art of Printmaking. Printmaking is similar to stamping, but instead of the stamps being provided, students will create their own original stamping matrix. Students will learn the art of block (or relief) printing which, is a process that involves carving into linoleum and Styrofoam plates. Students will experiment with professional printmaking tools, techniques, inks and a press. **Week One and Week Three**

Wonders of Watercolor  Grades 2-8  Instructor: April Vincent
Learn about the many wonderful ways watercolors can work. Working with high quality paints, students will mix colors straight from the tube, and explore liquid water colors. Then they will add salt, wax resist, pearly paint, pencils that paint, and other surprises to their creations. The watercolor paintings will be perfect for student bedrooms or to be given as gifts. **Week Two only**
Bob Adams is a multi instrumentalist who has been playing music for over fifty years. His love of traditional old time and Celtic music led him to the mandolin which he loves to play and teach.

Susan Adkins is a retired music educator and former Executive Director of Carnegie Hall. She has worked with students of all ages and continues to teach private piano lessons in her retirement. She has studied the harp with Leah Trent and has been playing the piano since the age of 8.

Hannah Buly is a rising senior at Greenbrier East High School. She has been playing the violin and taking lessons for seven years and is involved in the GEHS Marching Band. Hannah is an alum of Kids’ College, having attended for a few summers.

Lynn Creamer is an accomplished fiber artist and arts educator. Her focus lies in the art/craft of felt making and the possibilities this medium offers for self-expression and cultural studies. Other textile interests include weaving, spinning, dyeing, knitting, and macramé. Having raised sheep and marketed their fleeces, she delights in manipulating fibers in creative ways.

Amie Durrman teaches clay for kids and teens and printmaking for Carnegie Hall throughout the year as well as teaching Carnegie Classroom workshops in the public schools in West Virginia. She has a degree in Art Education and this will be her third year teaching during Kids’ College.

Harmony Flora is Carnegie Hall’s Box Office Manager, Education Associate, and Archive Coordinator. A native West Virginian, Harmony owns and operates a small farm business in Greenbrier County with her husband, Dennis. A lover of good food, animals, and gardening, she spends her free time surrounded by nature and her extended farm family.

Teri Hartford has been weaving baskets since the early 1990’s. She enjoys teaching others how to weave baskets, with the hope that they will fall in love with weaving and create an heirloom.

Sharon Ginsburg has been teaching at Carnegie’s Kids’ College and with the Carnegie Classroom program since 1996. She enjoys having the opportunity to turn others on to their own creativity in any artistic or creative endeavor. Paper arts in particular are a special passion with Sharon, since it’s possible to make anything anywhere any time with just a piece of paper.

Sarah Hann is the music teacher at White Sulphur Springs Elementary school. She earned her undergraduate degree from Indiana University of PA and has a M.M. in Performance from Winthrop University. In addition to teaching music and playing percussion, she enjoys hanging out with her dog.

Sean O’Connell is an artisan living in Alderson. He has created work using all types of materials including wood, metal, natural fiber, and bone, but clay is his preferred expressive medium. Sean has always had a fascination with the art and artifacts of ancient cultures, and this is often reflected in his work.
Jane Olson, or Olson Sensei, holds the rank of ShoDan in Ki-Aikido, a Japanese martial art. She has studied Ki-Aikido for over 25 years, starting in Colorado and also training in Brazil. She has taught the principles of mind-body coordination, physical self-defense, and harmony to adults and children alike.

Dennis Ott, a native West Virginian, is an award-winning musician, teacher, farmer, and the founder of Olde Music Workshop, which focuses on the traditional instruction of Appalachian music on fiddle, mandolin, banjo and guitar. Dennis has been an instructor at Kids’ College since 2015.

Thomas Ruggiero is a fashion designer and illustrator dedicated to making the world fashionable again! As a current resident artist of Lee Street Studios he has reinvigorated the world of fashion with his bold and whimsical designs!

Sandra Schmocker combines original ideas, bright colors, patterns, and unusual perspectives into her art. Her creations are a result of her enjoyment of the process of painting or drawing, using color to create pattern and depth. She was juried into Tamarack in 2003 and has taught painting at The Greenbrier and Ross Hanna Studios.

Sarah Shepherd loves cooking and was hooked once she realized as a kid that she could have cookies if she made them herself. Since then her repertoire has expanded outside of cookies, to pies, cakes, bread, and all sorts of yummy dinners. She loves to spread her love of cooking to the next generation.

Kathy Talley, a member of the West Virginia Basket Makers Association, has over 25 years of weaving experience. She enjoys teaching people how to weave, especially children. Basket weaving is an Appalachian cultural tradition that she wants to pass along to the next generation.

April Vincent grew up in the northern Maine woods completely off the grid and from a young age taught herself many handcrafts. She earned a B.A. Warren Wilson College and a Masters’ from Western Carolina University. April delights in teaching art at Ronceverte and Alderson Elementary Schools.

Mike Vincent has worked with kids in different capacities for all of his professional life. For the past decade he has been in the Greenbrier County school system as a school counselor, first at the elementary level and currently at Greenbrier East High School. This is his third year teaching at Kids’ College.

Cassie Williams was born and raised in West Virginia. Her passion for baking started when she was just a girl helping her grandmother in the kitchen. She was the assistant manager of the Bakery on Court St. for 5 years while she pursued her B.A. in Elementary Education. She was the pre-K teacher at GCS and is currently pursuing her dream of being a full-time mom and homemaker.
